WHATEVER  
NEXT,  
GRANDMA!

Grandma is impulsive, bossy and badly dressed, with a passion for brightly-coloured cowboy boots. She gets the wrong end of any stick and stumbles unwittingly into magical adventures. Her cynical sidekick, Gertrude the cat, gets dragged into nearly all of Grandma's scrapes whether she likes it or not.

Join Grandma and Gertrude as they meet an angry octopus and help a festive Christmas visitor. Grandma needs all her wits about her on a perilous jungle adventure and Gertrude senses trouble ahead when Grandma rides a pony. In other adventures, Grandma skis into trouble and produces lots of tricky tongue-twisters when she gets a bump on the head!

Each book contains a quiz and hilarious jokes, with vibrant illustrations by Mike Phillips.

## About the Author

Alison Grunwald has always loved writing comic stories and poems for children. She enjoyed working in primary schools teaching early reading to children arriving from other countries. She has also been a radio and newspaper reporter and a doula, and these days has lots of grandchildren who help her with suggestions for her funny stories.
